This version of "Hey Baby" by DJ OTZI radio mix is a lively and fun mix.

At the beginning of the track, DJ OTZI encourages the dancers to put their
hands in the air and will count in the dance on a 12345678.

Add a little bit of fun to the dance by leaning forward crossing the right wrist over the left wrist.

Arms are now crossed in front of your body
and pointing down to the floor on Part A on counts 11-12 and
throw the right arm back on count 13

Dancers also may like to replace the coaster step with a full triple turn left in Part B, section 3. counts
